

Tyrannosaurus Rex

Tyrannosaurus, Tyrannosaurus rex,
Tyrannosaurus, Tyrannosaurus rex.
Join with me and sing the chorus.
Next time I say sing it, *sing it!*

Chorus: Tyrannosaurus, Tyrannosaurus rex,
Tyrannosaurus, Tyrannosaurus rex.

He was the fiercest dinosaur,
A mean, meat-eating carnivore,
The king of all the jungle land,
When he appeared the others ran
From . . .

Repeat chorus.

He stood two stories tall, it's said.
His teeth were bigger than your head!
No dinosaur could stand up next
To cruel Tyrannosaurus rex.
Sing it!

Repeat chorus.

His two hind legs were big and strong.
His head was huge, his tail was long.
The big plant-eaters craned their necks
And kept a fearful eye out for T. rex.
Sing it!

Join with me and sing the chorus.
Next time I say sing it, *sing it!*

Repeat chorus.
